

YEAR 2

ENGLISH - We have written sets of instructions to explain how to plant carrots. We numbered each instruction and used a selection of time words and a range of vocabulary to make them interesting. Have a go at writing a set of instructions at home for something you enjoy doing.

MATHS - We have found lines of symmetry in 2D shapes. Which capital letters are symmetrical? Have a go at checking with a mirror. We have also solved word problems.

SCIENCE - We have been looking after our carrots but have seen no growth yet. Maybe the weekend's sunshine will get them started.

YEAR 1

ENGLISH - We are writing a Space adventure story next week. Can you think of an exciting idea for your story?

MATHS - We have looked at 2D and 3D shapes this week. Can you spot any in your house?
Maths challenge - can you count back from 50 to 0?

SCIENCE - Material of the week - Wood

GEOGRAPHY - We made a bird's eye map of our classroom and looked at a plan of the school. Can you make a bird's eye map of a room in your house?

MUSIC - The children thoroughly enjoyed listening to the performances by Becket Keys' Year 10 GCSE musicians.

FOUNDATION STAGE

We've had lots of fun this week designing a Superhero fruit salad and making it. We then wrote some instructions to tell someone how to do it.

In Maths we have focused on doubling and halving. We know that if we double a number it is the same as adding the same number. Have a practise with doubles up to 20 at home.

Please can we remind you that the homework that is now in the Wow books is due in on a Thursday and must be completed using a writing pencil.

Finally, please, please can you check your child's uniform each day as we have had lots of hats and jumpers lost recently. A number of parents have told us that they have been correctly labelled and the item is still missing.

On Friday 11th May we would like the children to bring in a toy from home for the day. This needs to be a small non-electrical toy. No noisy toys please! e.g. a car, dinosaur, doll, soft toy. Please can it be labelled and brought into school in a labelled bag too.

P.A. - Save the date!

Infant School Disco - Friday 6th July - Bishops Hall, Brentwood (after school)

Inflata-Ball Fun Day - Saturday 16th June - Junior School - 12pm - 3pm

Inflata-Ball Fun Day - Estate Agent Boards

Balgore's Hayes in Brentwood have agreed to donate £5 in exchange for having boards up locally advertising our Inflata-Ball Fun Day. Boards will go up a few weeks before the event and removed shortly after. You do not have to be at home when they are fitted or removed. If you live in Brentwood or the surrounding villages and would like a board outside your house please email your name, address and contact number to Oisín or Mykaila at sthelenspta@gmail.com asap but no later than Friday 11th May.
