

## Feedback from prospective parents that came to our Open Morning October 2018

What aspects of our Open Morning were helpful to you?

The head teacher talk was informative then nice to walk around shown by the children. Our guides were enthusiastic and informative.

Opportunity to hear from the Head teacher and get a sense of the school ethos. Wonderful to have a tour and see the teaching first hand – great idea!

Everything was explained clearly.

**Our guides were very helpful showing us around the school. They answered all the questions we had. Well done!**

Helpful to speak to children and understand culture in school. Good to see facilities.

I particularly liked the tour from the pupils so I could ask them questions.

Tour from the children was great - good to see the school through their eyes.

Definitely got a feel for the ethos and focus of the school. Loved the tour by the children. They were fantastic ambassadors and very helpful!

We enjoyed the children's perspectives of the school, they were polite and honest. Liked introductory chat in the hall before tour.

Learning about experiences directly from the children. Small tour groups to enable more opportunity for questions.

Seeing the children in their classes, getting a feel for their day and general info on how the school runs.

Excellent presentation, very informative. Tour was excellent.

*Tour of school, friendly staff and friendly nature. Love the school's Mission Statement, very welcoming.*

Lovely to see photos of children working in current Foundation Stage and Information about application form and dates

**Mission Statement; being made aware of results; seeing the fabulous playground facilities; witnessing lessons in action. Great to see the religious aspects and Fr Martin at work!**

I got all the information I was looking for and the guided tour by the children was amazing and I want to say thank you!
