

St Helen's Herald

E-Edition 1

Welcome to our first edition of the school newspaper! We cannot wait to show you all of the wonderful things that have happened at St. Helen's Catholic Infant School this half term. Well done to all of the journalists who have written articles and shared information about school life. We hope you enjoy it!

Classroom to Care Home.

We wrote letters to care home residents sharing information about our school life.

St.Helen's Infant School
Sawyers Hall Lane

Dear Resident

My name is Ethan and I have four people in my family there are me my sister, my mum and dad. My family is friendly and kind. I go to St.Helen's Infant school and it is fun. My favourite subject is science because you can learn about the human body. I like school because the teachers are very kind. I really like playing cricket because I like hitting balls. My favourite jelly is strawberries because my favourite is strawberries. What is your favourite sport currently

Dear Resident
I am Scarlett
and I like school.
My favourite animal
is a Triffid what is
yours? My favourite
thing to eat is popcorn.
What do you like
Love from
Scarlett

Dear resident 6E.5.2021
At Maths we are doing grouping sharing and halving and it's a little bit good. In History we are thinking about Holidays in the past. In P.E we are trying to paint balls gently. from Gabriel
and What is your name.

St Joseph - Fantastic Foster Father!

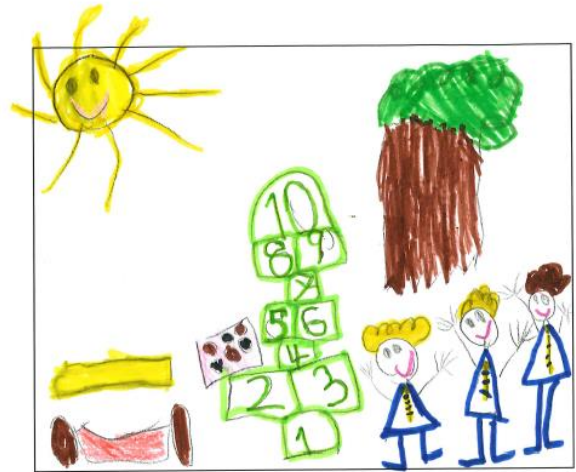

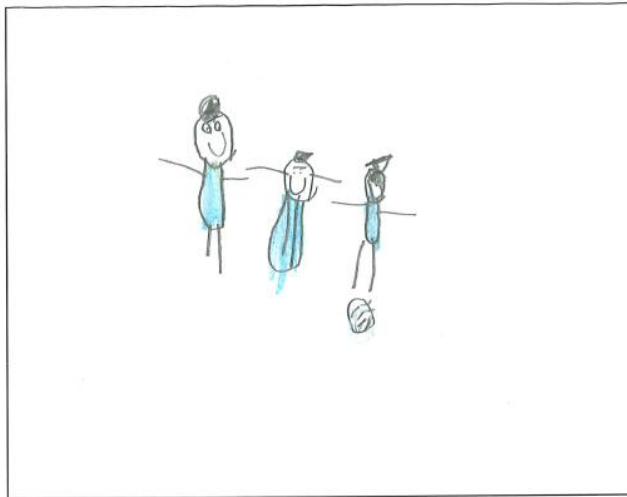

On 14th May 2021 we celebrated the 'International Day of Families' and thought about the most important family of all, The Holy Family.

Reception Returns!

Smiles in the Summer Term.

Tetty

I like playing
with my friends.

I love to go on the
tripa trail and play
hot Scotch with my
friends.

Sophia class 1

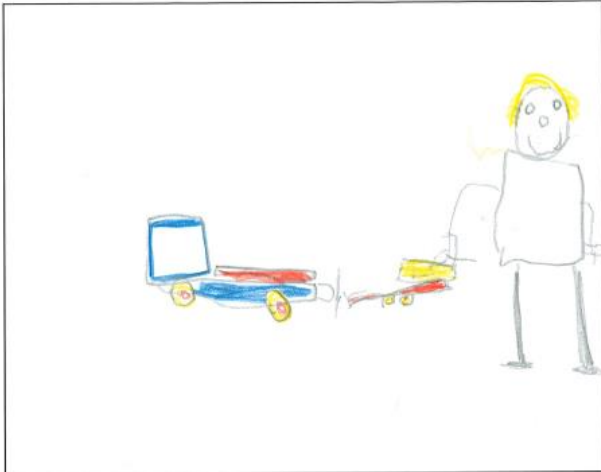

I like playing
with bricks
and my friends.

Amalia 2

Reception Returns!

Smiles in the Summer Term.

I like playing
with the mobilios.
Conor 3

I like
playing with mi
friends.
Dylan 1

I like playing
on the trim
trail with my
friends.
Hannah 3

Fantastic Fossil Hunter finds enormous Ichthyosaur!

We have been learning about the famous Mary Anning who lived many years ago. She was a fossil hunter. We learnt that she found a fossil of a brachiosaurus. We learnt that a T-Rex is the scariest dinosaur in the world. Did you know the T-Rex is a carnivore? I was very happy when we were learning about Mary Anning and dinosaurs to.

Leisha 6

Year 1 are amazed by this incredible find!

Mary Anning was born in 1799 and she was a fossil Hunter. When she was a child she walked with her father and her brother on the seaside to find lots of fossils. She was poor and she sold the fossils what she found. Mary Anning was one of the best fossil Hunters.

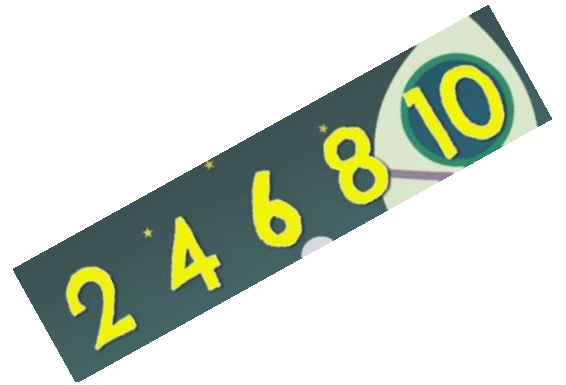

Natan 5

Magnificent Maths and Superb Science.

In class six we have been learning about counting in twos like this, two four six eight ten twelve and then backwards.

We also learnt about what makes a story interesting we use adjectives and describing words in a sentence for example, a beautiful red flower.

Jago 6

In school we have been learning about plants and how they grow. We have also been learning about the 3, 5, and 10 times tables. I like the 3 times tables the best because they are more challenging.

Darcie 4

Class Four's Facts about UK!

Kieran 4

Learning at class 4

Before the recent lockdown, we were learning about the different countries of the U.K. There are 4 countries in the U.K. Among all, England is the largest. Saint George is the patron saint of England. Did you know the capital city of England is London and it is the largest city in the U.K? Even though there are many languages are in use, English is the most common. The tallest mountain in the U.K is in Scotland.

"London is the largest City in the U.K."

Ferocious Flames spread across the capital!

At school we have been learning about The Great Fire of London, which started on the 2nd of September 1666. The fire started in a bakery on Pudding Lane, the fire lasted for 4 days. As the houses were made out of straw and wood, the fire spread quickly. In total 13,000 houses and 87 churches burnt down 100,000 people were made homeless. King Charles II ordered houses to be demolished and rebuilt with bricks. Monument was built in memory of the fire.

As the houses were made out of straw and wood, the fire spread quickly. In total 13,000 houses and 87 churches burnt down. 100,000 people were made homeless. King Charles II ordered houses to be demolished and rebuilt with bricks. Monument was built in memory of the fire.

Scary smoke and sizzling fire spread in London

Today is 4th September 1666. AS I write this article London is burning. Thousands of houses have burned to the ground, many more are in danger. St Pauls cathedral is in flames I don't think it can be saved. God save the good people of London.
